

Colour My World!

Some people make the world a better place just by being there - just like our wonderful children in Class 1. This half term we are looking at how there are different people in our world and what celebrations and festivals they share with us.

Creative Curriculum

We will be looking at 'Festivals and Celebrations' around the UK and the World. We will be creating fabulous art work and looking at food from around the world. We will continue to develop our map work. The children will listen to and create musical pieces from around the world.

PE is on Monday and Thursdays.

Next Forest School session is Tuesday 7th November

Remember you can contact us on our school emails for any queries.

Many thanks, Mrs H and Class 1 Team.

Things to remember . . .

- ◆ A warm coat.
- ◆ Little Wandle reading folder every day. Please write in your child's yellow reading record when they have read at home.
- ◆ Library books returned on Tuesdays.
- ◆ PE kit every day. As PE could be outside for some sessions, please send jogging bottoms and jacket.
- ◆ Water bottle (**no juice**) every day.
- ◆ KSI Homework is set on Fridays. Spellings for KSI are uploaded to Google Classroom every Wednesday. Please help your child practice their spellings each week. We may also send home phonics homework to support learning too.
